Welcoming new members and guests.

It's an exciting time to be part of Snohomish's Chamber of Commerce!

Founded in 1956, the Chamber has been a resource for local businesses and the driving force of several community events for nearly 70 years. and it keeps getting better as we transform into the digital age of business.

Registered as a 501 (c) 6 nonprofit, the Snohomish Chamber of Commerce continues to serve local businesses and the Snohomish community.

The Snohomish Chamber of Commerce has seen significant growth post Covid and is now comprised of nearly 300 members with more joining every month. Our members range from sole entrepreneurs to large companies and nonprofits across all business sectors. The Chamber's governing board is comprised of business and nonprofit leaders from the greater Snohomish community.

As we move the Chamber into the future, we are providing additional education and networking opportunities through our Monday Morning

Motivational Meet Up, Lunch Bunch, Monthly Member Meeting, Engage Snohomish, and quarterly workshops. With over 150 people attending our meetings and events each month, we are making a difference for our local business community.

We know the value of partnerships and are proud to partner with the City of Snohomish and Historic Downtown Snohomish Association as well as other community stakeholders. The Chamber is in the beginning stages of partnerships with the Snohomish School District and the Boys and Girls Club of Snohomish County to assist in their career exploration and workforce development efforts. We are partnering with the Snohomish Farmers Market for Kids Vendor Day which helps aspiring entrepreneurs bring products to life and sell them at the Market in August.

Navigating to the Chamber's website, www.snohomishchamber.org, you will find more information on membership, our upcoming meetings and our events.

In addition to the Snohmish Wine Festival and the Snohomish Classic Car Display in September, we're proud to be partnering with Kla Ha Ya Days Festival to host their Car Show. Stay tuned as we share more information very soon about our holiday themed community event featuring our Chamber nonprofit organizations!

Whether you are a business person or a community member wanting to connect, I invite you to attend our monthly member meeting held on the 3rd Tuesday of every month. Email manager@snohomishchamber.org for information. It's an exciting time to be part of the Chamber!

I am honored to serve as the Director and eagerly anticipate the future!

Nancy Keith, Director

From the Chamber President...

It's been a privilege serving the chamber and the business community in this capacity. It is an exciting time to be a part of the Chamber!

We have clear vision and lofty goals for our future. New membership is at an all-time high and attendance at our

regular member meetings typically range around 100 attendees. I love being a part of the chamber and serving on the Executive Board. To be a part of its continued growth and development is a highlight of my career.
